Dear Mr. Shepherd:

A review of our records shows that Tom Clark has not conducted operations on his Daddy Dearest Claim group since 1989. Field inspections show that facilities located on the site are beginning to deteriorate due to lack of maintenance. We recommend that the facilities be removed, the portal sealed, and all surface disturbances be reclaimed. We have had difficulties in getting Mr. Clark to respond to our inquiries, including a letter dated March 11, 1993. Any assistance you can render in getting this problem resolved would be appreciated.

Sincerely,

Penelope J. Smalley
Area Manager
